

## Easy for Me to Say

Clint Black

Some won't find the words  
More won't find a way  
Never too often heard  
You know it's easy for me to say

The thing you need to hear  
Way more than every day  
Can never be too clear  
You know it's easy for me to say

[Chorus]  
I love you  
Quiet and loud  
Alone in a crowd  
I love you  
In a thousand little ways  
I'm learning to say  
And i learn something new every day  
I love you  
It's easy for me to say

It always sounds the same  
Music to my ears  
Leaves nothing to explain  
You know it's easy for me to hear

The phrase that we all know  
Nothing it can't outweigh  
Take it wherever we go  
You know it's easy for me to say

[Chorus]

I love you  
No poet ever found a better way  
You know it's easy for me to say  
I love you  
I'll try to say it more every day  
You know it's easy for me to say
