These times are troubled and these times are good And they're always gonna be, they rise and they fall We take 'em all the way that we should Together you and me forsaking them all Deep in the night and by the light of day It always looks the same, true love always does And here by your side, or a million miles away Nothin's ever gonna change the way that I feel, The way it is, is the way that it was

When I said I do, I meant that I will 'til the end of all time Be faithful and true, devoted to you That's what I had in mind when I said I do

Well this old world keeps changin', and the world stays the sam e

For all who came before, and it goes hand and hand Only you and I can undo all that we became That makes us so much more, than a woman and a man And after everything that comes and goes around Has only passed us by, here alone in our dreams I know there's a lonely heart in every lost and found But forever you and I will be the ones Who found out what forever means

When I said I do, I meant that I will 'til the end of all time Be faithful and true, devoted to you That's what I had in mind when I said I do

Truer than true, you know that I'll always be there for you That's what I had in mind, that's what I had in mind, When I said I do
