[Verse 2: Rah Digga]

Keep the five for ya, the ruggedest chick
Spread shit like Tom Sawyer, bitch Will Smith
Be I the Fresh Princess, rulin shit run things
Your efforts is senseless, Hariett Thus
Ridin rare breed, fuck buyin a jar
I smoke the engineer weed motherfucker
Bitch got stuck in Wells Fargo, Brick City hooligan
Squattin at the car show - couldn't be a girly girl
if I tried; crazy slave to the live
But I'm still fly, love four by fours
Cause they ride like a toy, steady jumpin the curb
Pedestrians like "oh boy" I can sing, rap DJ
Work the instant replay
"Even though I'm slurrin my voice" like I was Freeway
Get it right cuz-o, I keep the rhymes runnin
Kind of terror FBI don't even see comin, motherfuckers

[Chorus]

[Verse 3: Rampage]

Ashes is ashes and dust to dust
Y'all see the low Ro', y'all ain't fuckin with us
Rampage nigga, I'm a sick man
Chop you in your face, cut off both of your hands
Wrap your body up, put it in a sedan
Drop yo' ass in a river, this is how I deliver
Got the maggots just eatin your liver, untold mystery
Your name is Swany River, you not a legend
Youse one dead nigga, six feet under
Never comin back, one year later
This is real facts (yeah) tell the feds
just to back up off me
Keep eatin donuts and drinkin that coffee
They say they know my M.O. from Philly to Milwaukee
Got my house tapped with the walkie talkies, shit
I'm just a victim in this case
My lawyer's good, so get the FUCK out my face

[Chorus]
