

# Alter Ego

Clique Girlz

I can hear  
A little voice inside my head  
Telling Me  
That I should do what she says

Looking over my shoulder  
She trying to tell me things  
Always misleading me  
Nobody can see

I can be good she can be bad  
We can be this and that  
She's my Alter Ego-oh-oh  
When I want to be weak  
She can be strong  
Rolled into one  
She's my Alter Ego-oh-oh

I can tell  
When she's about to pull me in  
She has no fear  
But then she doesn't always win

Looking into the mirror  
She tryin' to have fun with me  
Sometimes I take myself way to seriously

I can be good she can be bad  
We can be this and that  
She's my Alter Ego-oh-oh  
When I want to be weak  
She can be strong  
Rolled into one  
She's my Alter Ego-oh-oh

It's like she sometimes my best friend  
Then my enemy again  
she is no-where but she's always there  
Yeah

Oh yeah

Oh oh oh ooh

Yeah

I can hear a little voice inside my head  
Telling me I should have done what she said

Yeah

I can be good  
She can Bad  
We can be this and that  
She's my Alter Ego-oh-oh  
When I'm little miss perfect  
She misbehaving

I take the blame  
She's my Alter Ego-oh-oh

I can be good she can be bad  
We can be this and that  
She's my Alter Ego-oh-oh  
When I want to be weak  
She can be strong  
Rolled into one  
She's my Alter Ego-oh-oh

I Can Be good  
She can be bad  
We can be this and that
