

# Brag,Brag,Brag

## Clique Girlz

You think I care  
But I don't  
You think I'll forgive you  
But I won't!  
It's just that simple  
(Yeah, yeah, yeah)  
You should try  
Don't think it's ruined  
my whole life

We're all really young (really young)  
This won't affect me  
It's just a stupid crush  
Won't you just get over me?!

Nobody cares about  
what you've been up to  
You can brag, brag, brag  
'bout your friends  
and all the girls do  
No, I don't miss those times  
Just leave me alone  
I need to get you out of my mind

Hey hey!!

You're conceited  
You know you are  
Just look at the text  
yeah, yeah, yeah  
You broke my heart  
Well, I stood back up  
and I moved on  
But you didn't think so  
Guess what?  
(What?)  
You're so wrong!!

Nobody cares about what  
you've been up to  
You can brag, brag, brag  
'bout your friends  
and all the girls do  
No, I don't miss those times  
Just leave me alone  
I need to get you out of my mind

Hey yeah!

You can talk about where you've been  
(Oh)  
Tell me who you're friends with  
(You can tell)  
You can brag to me - disagree  
But I'll guarantee that!

Nobody cares about what

you've been up to  
You can brag, brag, brag  
'bout you're friends  
and all the girls do  
No, I don't miss those times  
Just leave me alone  
I need to get you out of my mind

Nobody cares about what  
you've been up to  
You can brag, brag, brag  
'bout you're friends  
and all the girls do  
No, I don't miss those times  
Just leave me alone  
I need to get you out of my mind

Nobody cares about what  
you've been up to  
You can brag, brag, brag  
'bout you're friends  
and all the girls do  
No, I don't miss those times  
Just leave me alone  
I need to get you out of my mind

Hey hey!

Hey hey!

Hey hey!
