

Never Gonna Fly

Clique Girlz

I Knew It
When I Saw You Baby
I Knew It

Blacker Than A Rose
Gentle As A Kick
Nothing Where You Go
I'm Everything You Never Gonna Need
But If You Need To Know
It's Bitter And it's Sweet
I Didn't Mean To Hurt You
Or Disappoint You
Can't Tell If I Tried To Warn You
But Your Not Giving In Are You

Gotta Take A Plane Without You
You're Never Gonna Fly Just Stay On The Ground
What I Gotta Say To Make You
Look The Other Way Cause I'm Leaving Town
Never Gonna Fly
Never Gonna Fly
Never Gonna Fly
Goodbye

I Think Your Really Hot
And If I Had The Time
I'd Give You A Shot
But I Just Have To Tell You From The Start
What's Together Now
Is Already Apart
I Never Will Desert You
If I Was With You
Right Would I Never Want You
I Wish That I Never Met You

Gotta Take A Plane Without You
You're Never Gonna Fly Just Stay On The Ground
What I Gotta Say To Make You
Look The Other Way Cause I'm Leaving Town

I Knew
I Knew x5
I Knew It

When I Saw You Baby
I Knew It

Push Me Out The Door
Put Me In A Car
Get Me On A Plan
My Feet Are Dragging Never Felt Like This
Wondering Where You Are
I Won't Ever Forget You

Gotta Take A Plane Without You
You're Never Gonna Fly Just Stay On The Ground
What I Gotta Say To Make You

Look The Other Way Cause I'm Leaving Town
I Knew It
When I Saw You Baby
I Knew It
I Knew It
Never Gonna Fly
Never Gonna Fly
Never Gonna Fly
Goodbye
