

# Then I Woke Up

Clique Girlz

I get into the car  
Turn the radio up real far  
To shut out the noise  
So I can hear my voice

There's a party on down the street  
But nobody invited me and I got a gig  
Babysitting my uncle's kids  
Why me, I just wanna see

[Chorus]  
Don't you know that I'm a hip hop queen  
A rock and roll dream it's all bling bling  
I'm the star on the scene  
Yeah, check me out see what I'm all about  
I'm the one that you want the one you can't have  
The girl that you call who doesn't ever call back  
Just look at me I've got everything  
But then I woke up

I was lying on the couch  
Drool coming out my mouth  
Turned on the TV  
Dr. Phil won't you please fix me

I'm waiting for the phone to ring  
Flipping through a magazine  
Why doesn't he call  
Guess I'm the loser down the hall  
Why me, I just wanna see

[Chorus]

But then I woke up  
I'm like living in a dream (I'm like living in a dream)  
It's everything it's supposed to be (Supposed to be)  
It's a holiday from me

It's all just kickin' in  
And this is where I begin  
Just being me  
It's okay to be me

But it's gonna to be a a hip hop queen  
A rock and roll dream it's all bling bling  
Yeah, baby ka-ching  
Come check me out  
You know I'm bringin' down the house  
I'm the one that you want you now I'm heaven sent  
I'm a little skater boy and a little 50 Cent  
Just look at me I've got everything

But then I woke up  
(I'm a hip hop queen)  
I woke up  
(I'm a rock and roll dream)  
I woke up, I woke up

Then I woke up  
(It's all bling bling)  
I woke up  
(Yeah, baby ka-ching)  
I'm like living in a dream  
(I'm like living a dream)  
It's everything it's supposed to be
