Cliteater

Innumerable offers presented by the web
Made two twisted minds choose to take
Their final step
Two psychos, plotting and planning
To shock the world beyond belief

To be, cooked and boiled
To be, cut and chopped
To be, hacked and slain
To be eaten in sane

Free cannibalism in this free world
It's my body, it's my right

I want to be eaten Eat all my limbs
But don't let me die before
I want to see you consuming me

Grant me my final sick twisted orgasm
I want to scream and bleed
Let me accompany you with eating my phallus
My own dick in my mouth would be a great
Last taste, before I reach my eternal chasm

I want to bleed, and be, CONSUMED
