## All I ask of You

## **Close Harmony Friends**

No more talk of darkness
Forget these wide-eyed fears
I'm here, nothing can harm you
My words will warm and calm you

Let me be your freedom

Let daylight dry your tears

I'm here, with you, beside you

To guard you and to guide you

Then say you love me every waking moment Turn my head with talk of summertime Say you need me with you now and always Promise me that all you say is true That's all I ask of you

Let me be your shelter
Let me be your light
You're safe, no one will find you
Your fears are far behind you

All I want is freedom A world with no more night And you, always beside me To hold me and to hide me

Say you'll share with me one love, one lifetime
Say the word and I will follow you
Share each day with me, each night, each morning
Anywhere you go, let me go too
Love me, love me
That's all I ask of you
