

Forgive And Forget

Close To Home

These lost puzzle pieces never fit,
Or paint that perfect picture.
Some how it all makes's sense
Since you've been in my arms
Worlds torn into by what you,
And I have done
Are you laying here and lying there
I'm still scared of losing the life that we lost

So I could be wrong for forgiving
Or forgiving up

And like a sinking feeling
Love is bleeding; leave me out on the rough.
I never lied; I never tried to hurt you
I took you for granted and lost everything I loved

So I could be wrong for forgiving
Or forgiving up

There just words and they don't mean a thing
And I've got this sinking feeling.
That says so long.
(It's been so long)

I don't want to hear you say..
Everything will be okay
I'll be the first to know
but the last to say I told you so
I don't want to hear you say
That you've never been afraid
Make believe you are so brave
I'll be the first to know

So I could be wrong for forgiving
Or forgiving up
