

# Death Cloud

## Cloud Control

Do as I say, as I say  
(Oohaaaa, oohaaaa)  
Drive, drive into the desert  
(Oohaaaa, oohaaaa)  
You don't know why  
You don't know why

With his pretty wife  
And the garden gnomes  
In the park at home  
He saw a UFO

Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud

Do as I say, as I say  
(Oohaaaa, oohaaaa)  
Hide, hide among the statues  
(Oohaaaa, oohaaaa)  
You don't know why,  
Why, why why

With his pretty wife  
And the garden gnomes  
In the park at home  
He saw a UFO

Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud

You don't know why  
(You don't know why)  
You don't know why  
(You don't know why)  
You don't know why  
(You don't know why)  
You don't know why  
(You don't know why)

You don't know why  
You don't know why

And I know why  
And I know why  
Oh it's a pattern, baby  
It's a pattern, baby

And I know why  
And I know why  
Oh it's a pattern, baby  
It's a pattern, baby
