

## Bobby's Spacesuit

Cloud Cult

Bobby's got a spacesuit made out of squirrel skin  
He's pushing downwards out and sucking upwards in  
And this is truth to him, and this is truth to him

Gina burns her Barbie 'til it's unrecognizable rubber  
Screw your d size cups 'cause I'm a way better lover  
This is truth to her, this is truth to her

Turn my stupid question marks into simple candy canes  
Turn my stupid question marks into simple candy canes  
And this is truth to me, this is truth to me
