

Love You All

Cloud Cult

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all

I love my mother
I love my father
And when it's my time to go
I need you to know
I love you all
