

Sane As Can Be

Cloud Cult

I guess you've been worrying about my mental stability
I may seem unusual, but there is really nothing wrong
with me

I tell you my secrets, but you think that I'm boring
I tell you my secrets, but you make me feel like an
idiot

Don't worry about me, I'm as sane as can be
Don't worry about me, I'm as sane as can be

Your eyes glaze over when I tell you what I'm feeling
Do I scare you? Do I annoy you? Do I make you feel
uncomfortable?

I tell you my secrets but I can't help feel stupid
I tell you my secrets but you make me feel a little
crazy

Don't worry about me, I'm as sane as can be
Don't worry about me, I'm as sane as can be

Giving up my philosophies for a six pack of beer and a
bag of weed

Giving up my philosophies for a six pack of beer and a
bag of weed

So don't worry about me, I'm as sane as can be

I've been sleeping for a million years
I will never know what woke me up and brought me here

I've been taking too much for granted
I will never kill myself again

I am a lucky one

I am a lucky one

I am a lucky one

I am a lucky one
