

## The Girl Underground

Cloud Cult

Freddy fell in love with a girl underground  
He was only 8 years old when he started digging down  
Singing "I love you more than you know"

Mother said "Fred, people underground are dead  
You've never even seen her, something's wrong with your  
head  
And I love you more than you know"

Freddy disappeared when he was 80 years old  
Still digging for his lover in a bottomless hole  
Singing "I love you more than you know"

Some say he's still digging, others say his love is found  
You can still hear him singing, put your ear to the  
ground  
Listen: "I love you more than you know"
