

Heroine addict
Oh my god
I am just a
I am just a
Breaking under everyone
I am just a
I am just a
Heroine addict
Oh my god
I am just a
I am just a
Breaking under everyone
Can you wake up and call
My mother I am ill
Do you know what to say
If they do not answer
Will you wake up and call
My mother I am full
Of insects that fall into my mouth where I stand
Why, why
Why are you doing this?
We are bored
