

Our Plans

Cloud Nothings

Original
It'll never get old
Essential
It'll never get old
Original
It'll never get old
Essential
It'll never get old

There's no time
For another try
There's no time
For another

No one knows our plans for us
We won't last long
No one knows our plans for us
We won't last long

No one knows our plans for us
We won't last long
No one knows our plans for us
We won't last long

Original
It'll never get old
