Stay Useless

Cloud Nothings

Can I see What's going wrong with me I use to have it all now I'm alone I'd never say I'm better off this way I need something to do somewhere to go I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time Can I feel So utterly unreal Like nothing I could do would make things change I'm stuck in here And I'm tired of everywhere I'm never gonna learn to be alone I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time oh oh oh oh [x4] I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time to stop moving I need time to stay useless I need time
