

I've got a gun
Make sure you run
I cannot tell
I am not well

Oh well, you keep on strummin'
Oh well, you keep on strummin'
Oh well, you keep on strummin'
Oh well, you keep on strummin'

I've got a gun
Make sure you run
I cannot tell
I am not well

Oh well, you keep on strummin'
Oh well, you keep on strummin'
Oh well, you keep on strummin'
Oh well, you keep on strummin'

My baby's been gone for fourteen years
The last time I saw her, she was only wearing tears
My baby's been gone for fourteen years
The last time I saw her, she was wearing only tears
My baby's been gone for fourteen years
The last time I saw her, she was wearing only tears
My baby's been gone for fourteen years
The last time I saw her, she was wearing only tears
My baby's been gone for fourteen years
The last time I saw her, she was wearing only tears

I've got a gun
Make sure you run
I cannot tell
I am not well
