

## Strummin'

Cloud Nothings

I've got a gun  
Make sure you run  
I cannot tell  
I am not well

Oh well, you keep on strummin'  
Oh well, you keep on strummin'  
Oh well, you keep on strummin'  
Oh well, you keep on strummin'

I've got a gun  
Make sure you run  
I cannot tell  
I am not well

Oh well, you keep on strummin'  
Oh well, you keep on strummin'  
Oh well, you keep on strummin'  
Oh well, you keep on strummin'

My baby's been gone for fourteen years  
The last time I saw her, she was only wearing tears  
My baby's been gone for fourteen years  
The last time I saw her, she was wearing only tears  
My baby's been gone for fourteen years  
The last time I saw her, she was wearing only tears  
My baby's been gone for fourteen years  
The last time I saw her, she was wearing only tears  
My baby's been gone for fourteen years  
The last time I saw her, she was wearing only tears

I've got a gun  
Make sure you run  
I cannot tell  
I am not well
