

# You Are Opening

Cloud Nothings

Sometimes  
I'll be able to intertwine, you can hear  
Sometimes  
I'll be able to intertwine, you see him  
Sometimes  
I'll be something colorful you can see  
Sometimes  
I'll be something colorful you will see  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
Sometimes  
I'll be able to intertwine, you can hear  
Sometimes  
I'll be able to intertwine, you see him  
Sometimes  
I'll be something colorful you can see  
Sometimes  
I'll be something colorful you will see  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
I don't care why  
I don't care why you are opening  
You're opening for me  
You're opening for me  
You're opening for me  
You're opening for me  
You're opening for me  
And you and I  
And you and I  
Sometimes  
I'll be able to intertwine, you can hear  
Sometimes  
I'll be able to intertwine, you see him  
Sometimes  
I'll be something colorful you can see  
Sometimes  
I'll be something colorful you will see
