

Since You've Been Gone

Clout

I get the same old dream, same time every night
Fall to the ground and I wake up
So I get out of bed, put on my shoes and in my head
Thoughts fly back to the break-up

These four walls are closing in
Look at the fix you've put me in

Since you've been gone, since you've been gone
I'm outta my head, can't take it
Could I be wrong? But since you've been gone
You've cast the spell, so break it
Oh, oh, oh, since you've been gone

So in the night I stand beneath the backstreet light
I read the words that you sent to me
I can take the afternoon but night-time comes around too soon
You can't know what you mean to me

Your telegram
Just goes to show you don't give a damn

Since you've been gone, since you've been gone
I'm outta my head, can't take it
Could I be wrong? But since you've been gone
You've cast the spell, so break it
Oh, oh, oh, since you've been gone

Now if you will come back
Baby, then you'll never do wrong

Since you've been gone, since you've been gone
I'm outta my head, can't take it
Could I be wrong? But since you've been gone
You've cast the spell, so break it
Oh, oh, oh, oh, ever since you've been gone

Oh, oh, oh, oh, ever since you've been gone
