Since You've Been Gone

I get the same old dream, same time every night Fall to the ground and I wake up So I get out of bed, put on my shoes and in my head Thoughts fly back to the break-up

These four walls are closing in Look at the fix you've put me in

Since you've been gone, since you've been gone I'm outta my head, can't take it Could I be wrong? But since you've been gone You've cast the spell, so break it Oh, oh, oh, since you've been gone

So in the night I stand beneath the backstreet light I read the words that you sent to me I can take the afternoon but night-time comes around too soon You can't know what you mean to me

Your telegram Just goes to show you don't give a damn

Since you've been gone, since you've been gone I'm outta my head, can't take it Could I be wrong? But since you've been gone You've cast the spell, so break it Oh, oh, oh, since you've been gone

Now if you will come back Baby, then you'll never do wrong

Since you've been gone, since you've been gone I'm outta my head, can't take it Could I be wrong? But since you've been gone You've cast the spell, so break it Oh, oh, oh, ever since you've been gone

Oh, oh, oh, oh, ever since you've been gone
