

## Treasure Of Love

Clyde McPhatter

A treasure of love, is fine  
It's waiting for you, if you're here, art isn't blind  
A treasure of love, is not very far  
It glows like fire and it shines, like a star

It's stronger than diamonds and worth more than gold  
This is a treasure that never grows old  
The treasure of love is found on no chart  
To find where it is just look in your heart

It's stronger than diamonds and worth more than gold  
This is a treasure that never grows old  
The treasure of love is found on no chart  
To find where it is just look in your heart
