Twice As Nice

Clyde McPhatter

I've been faithful
I've been true
I've done everything
You asked me to

You know I love you
You know I do
But it would be twice as nice
If you loved me too

I dream about you every night
I can't keep still until
I can hold you tight

All I've been doing is wanting you
But it would be twice as nice
If you wanted me too

With your cooperation
How happy we could be
When I give you all my love
Give it all right back to me

There's a twinkle in your eye
I'm beginning now to realize

What I've been saying
Has been so true
Everything is twice as nice
Between me and you

With your cooperation
How happy we could be
When I give you all my love
Just give it all back to me

There's a twinkle in your eye
I'm beginning to realize

What I've been saying
Has been so true
Everything is twice as nice
Between me and you

Everything is twice as nice
Between me and you
Me and you
A little world for two
Me and you
Just me and you
