

Alienate Me

Coal Chamber

So sadistic, I'm coming apart like a ten-cent toy
Soul sedition, I know it's something you enjoy
Trap, scream trap, these broken wings I'll wrap
Trap, scream trap, scream trap, scream trap

Reclusive and fleeing, I'm coming apart like a ten-cent toy
Soul sedition, I know it's something you enjoy
Trap, scream trap, these broken wings I'll wrap
Trap, scream trap, scream trap, scream trap

Here we go
Down, down, down, down
Away we go

Reclusive and fleeing, I'm coming apart like a ten-cent toy
Soul sedition, I know it's something you enjoy
Trap, scream trap, these broken wings I'll wrap
Trap, scream trap, scream trap, scream trap

Here we go
Down, down, down, down
Away we go

Sever this tie
Sever this tie
Sever this tie
Sever this tie

You do't know me
I don't know you
You don't know me
And you never will

Here we go
Down, down, down, down
Away we go

Sever this tie
Sever this tie
Sever this tie
Sever this tie

Sever what do you need them for
