

Blisters

Coal Chamber

Believe in the blisters once again
Deliverance now my only friend
I've crawled through the flesh and back again
For us, to be

Near consequence without nothing much
Sheer prayers, it's all been just good luck
Couldn't make it but thanks for showing up again,
(Come in and be) to be cut deep inside of my own skin

I'm saving all my sheep for sin
To be cut deep inside of my own skin
I'm saving all my sheep for sin
Believe in the blisters once again

Deliverance now my only friend
I've crawled through the flesh and back again
For us, to be
Near consequence without nothing much

Sheer prayers, it's all been just good luck
'Cuts deep inside of my own skin
I'm saving all my sheep for sin
Cuts deep inside of my own skin

I'm saving all my sheep for
I don't want one percent of nothing
'Cause I'm never coming back again
Believe in blisters

Believe in the blisters
Cuts deep inside of my own skin
I'm saving all my sheep for sin
Cuts deep inside of my own skin

I'm saving all my sheep for sin
I don't want one percent of nothing
'Cause I'm never coming back again
Believe in blisters

Believe in the blisters
Said your motion, it feels like a knife
I don't want one percent of nothing
'Cause I'm never coming back again

Believe in blisters
