

"There's a point in time when you can't
think for yourself. Paulie - shots!!!"
I'm placeable listen to the dreams you're dreaming.
Untraceable tell me now what are you scheming.
I'm placeable to the place where you most fear.
Untraceable so help me dear.
I'm placeable innate yet surely substantial to repay you fade a
way.
Sweetness smells so sweet I your feet just to repay your fade a
way.
I'm placeable I have no place now.
Untraceable to your jaded vows.
I'm placeable no more of your face.
I'm placeable so help me please.
I'm placeable innate yet surly substaintial to repay your fade
away.
Sweetness smells so sweet at your feet just to repay your fade
away.
Kill the man become the monster. You are a sick individual.
You are so sincere I'm the one gel under your bed increase your
dreams and you know it well.
Yeah I'm the one gel under your bed increase your dreams and I
know it well hell.
I'm placeable recognise that you're most favored.
Untraceable tell me now what are we made of.
I'm placeable to the place where yo most fear.
Untraceable so help me dear.
I'm placeable innate yet surely substainial to repay your fade
away.
Sweetness smells so sweet at your feet just to repay your fade
away.
Kill the man become the monster. You are a sick individual.
You are so sincere.
I'm the one gel under you bed increase your dreams and you know
it well yeah
I'm the one gel under your bed increase you dreams and you know
it well.
Kill the man. Become the monster. Sincere.
