

Oddity

Coal Chamber

This is the way it's got to be...

Crawl beneath this filthy ground
and underneath this dirty ground
I crawl beneath this filthy ground
and underneath these dirty leaves

Seems to me to be the insanity
it seems to me I've become the oddity
it seems to me I need some identity
seems to me I've become the oddity

Keep this high now keep this high
said I better
keep this high now keep this high
said I better
keep this high now keep this high
said I better
keep this high now keep this high

This is the way it's got to be...

No fear, so depraved, break
