

Sway

Coal Chamber

The roof the roof the roof is on fire
we don't need no water let the motherfucker burn
burn motherfucker burn

Burn, burn, burn, burn

Just a little and nothing now it's over
just a little and nothing now it's over
what you said, no,
you're never gonna say again
in your own special way you tear me down

Sway - so hypnotic

Neither up nor down,
just been turned and turned
it just sits inside so it burns and burns
if I can't decide what makes you hurt
in your own special way you tear me down

So ask me please, please

Give me something good, now
something
give me something good, now
give me

Come sway this way
