

## Sway

Coal Chamber

The roof the roof the roof is on fire  
we don't need no water let the motherfucker burn  
burn motherfucker burn

Burn, burn, burn, burn

Just a little and nothing now it's over  
just a little and nothing now it's over  
what you said, no,  
you're never gonna say again  
in your own special way you tear me down

Sway - so hypnotic

Neither up nor down,  
just been turned and turned  
it just sits inside so it burns and burns  
if I can't decide what makes you hurt  
in your own special way you tear me down

So ask me please, please

Give me something good, now  
something  
give me something good, now  
give me

Come sway this way
