

# Tragedy

Coal Chamber

Cynics and Christ-like hypocrites.  
How They stick to you like glue.  
Jealous and Thoughtless lunatics flow they stick to you like glue.  
Truth is like a Tragedy.  
Unclean undeniably surely.  
How They stick to you like glue.  
Offensive and corrupt.  
How they seem to fuck with you so fuck you.  
Truth is like a tragedy.  
Come with me I cannot lie.  
I'll tell the truth I cannot lie.  
Well I cannot I cannot I cannot I cannot lie.  
Cynics and Christ-like hypocrites.  
How they stick to you like glue.  
Jealous and thoughtless lunatics.  
How they fuck with you so fuck you.  
Truth is like a tragedy.  
Come with me I cannot lie.  
I'll tell the truth I cannot like.  
Well I cannot I cannot I cannot I cannot lie.  
Truth is like a tragedy.
