

Wash Away

Coasts

Our days are lost, in the summer heat
Our voice is soft, in the twilight games
Like an orange peel, you're my sweetest fear
The slidest hold that my mind can call

Would you be the one?
Would you be the one?
Could you be the one to wash away?

I'm a loving fool, in your lovers' school
Just another one, strangled by your tongue
I walk you home through college green
And the loneliest roads that I've ever seen

Would you be the one?
Would you be the one?
Could you be the one to wash away?

Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away

This is the life that you know,
So stay in the game
You need a love that won't go
That is washing away

Would you be the one?
Would you be the one?
Could you be the one to wash away?

Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
Wash away, wash away, wash away, wash away
