

The Mess

Cobra Skulls

Things turned into such a mess today
Your step-dad and your brothers ran way
Your mother took your money for the bills she had to pay
Things turned into such a mess today

Things turned such a mess with them
Today they put St Christopher in jail
He was fighting for the cause
You know one day we will prevail
The values we hold dear have got to fail
Or we'll keep running
Though we don't know where to go
But if I ever find myself I'll let you know
I'll let you know

Things turned into such a mess so fast
You know I always wanted us to last
But it's hard to find a future when we're both stuck in the past
And fools like us move too fast

And we keep running
Though we don't know where to go
But if you ever find yourself please let me know
Please let me know
And if I ever find myself I'll let you know
I'll let you know

Such a mess today
