Three Times a Lady

Cobra Starship

Thanks for the times That you've given me The memories are all in my mind And now that we've come To the end of our rainbow There's something I must say out loud You're once, twice Three times a lady And I love you Yes you're once, twice Three times a lady And I love you I love you

When we are together The moments I cherish With every beat of my heart To touch you to hold you To feel you to need you There's nothing to keep us apart You're once, twice Three times a lady And I love you Yes you're once, twice Three times a lady And I love you I love you [Repeat: x5]
