

Win Or Lose

Cock Robin

I'll always feel the same should ever you call my name
I'm here if you need should you get the notion
I believed from the start that you'd never break my heart
My feelings remain, better left unspoken
Find somebody new, just something to hold on to
A door will always be left open, open

I'll be looking for you
I'm counting on you
I'll be looking for you
Win or lose

I give you my word and love that can heal the hurt
Need I say you've only my devotion
I'll be looking for you
Win or lose

Should the road become shaky ground
And your troubles only weigh you down
You've lost your only friend in town
It's here you'll find a home

I'll be looking for you (I'll be looking for you)
I'm counting on you (I'm counting on you)
I'll be looking for you (I'll be looking for you)
Win or lose

I'll always feel the same should ever you call my name
I'm here if you need should you get the notion
