

Sister Suzie

Cock Sparrer

Ohhhhh
We can't go on like this
And you know what I'm talking about
You find another lover
She know I can't live without

Oh, Sister Suzie
We gotta keep it in the family
Oh Sister Suzie
We gotta keep it in the family
oh oh Suzie, Suzie
Sing your love for me

They say I treat you bad
You know, they say I treat you cruel
But I know you need your lover
It's not after school

Oh Sister Suzie
The only love I had
Ohh, Sister Suzie, Sister Suzie
You're driving me mad
Oh you driving me m-m-m-mad

Gonna take away your records
I'm gonna take away your gin
And if I find the guy you're seeing
You'll see how mad I am

Oh Sister Suzie
You ain't going out no more
Oh Sister Suzie, Sister Suzie
Gonna lock the door
