

Are You Ready To Ruck

Cockney Rejects

Are you ready to ruck?
Come on
Any time

They ain't gonna be no argument
There ain't gonna be no sentiment
I don't like what you just said
Now I'm gonna smash your head

are-are-are-are-are are you ready to ruck
Are-are-are-are-are are you ready to ruck

I don't care if you use a glass
I'm gonna put you on your arse
You ain't gonna want no more
'Cause your gonna end up on the floor

Are-are-are-are-are are you ready to ruck
Are-are-are-are-are are you ready to ruck

There ain't gonna be no argument
There ain't gonna be no sentiment
I'm gonna steam you 'cause I don't care
First the rules, there's no pulling hair

Are-are-are-are-are are you ready to ruck
Are-are-are-are-are are you ready to ruck
Are you ready to ruck
Are you ready to ruck
Are you ready to ruck
Are you ready to ruck
