

## Someone like you

Cockney Rejects

Gotta kicking from me brother  
Had a row with me mother  
I'm in trouble everyday  
Everybody hates me  
I'm the only one who rates me  
I don't care anyway  
Ain't been to work since I left school  
Cos I don't wanna go  
Get up at seven, get home at five  
I just don't want to know

Cos I don't wanna be, I can't stand to be  
I don't wanna be  
Someone like you  
I don't wanna be, I couldn't stand to be  
I don't wanna be  
Someone like you

I don't wanna feel sorry for myself  
It's a thing I don't wanna do  
So piss off and have a go  
At someone else  
Or I'll end up killing you  
Most people say that I'm lazy  
But I sure ain't no slob  
I just wanna wait, gonna bide my time  
Gonna wait for the perfect job
