The Rocker

Cockney Rejects

Ain't got no regard for the latest fad A worm out leathers all he's ever had Filthy ol' headband around his head Says "man' I'm into Motorhead

He don't give a shit about you and me He's in love with a 750 cc Don't give a fuck about progression We've still gotta learn our lesson He's the rocker

Everywhere he goes people Turn their nose They look at his hair look at his clothes He don't give a shit he's used to it And he don't give a fuck about me and you

He doesn't believe in god above Says he's into peace and love Ask him no questions he'll tell you no lies That's why a rocker never dies He's the rocker
