

# Déjà Vu

Coco Jones

An illusion a delusion  
Am I just a dreamin'?  
In a world where I just wanna see your face yeah  
Your a stranger but familiar and I feel like I know ya  
Been thinking 'bout you forever hey

And baby I can't control it, no no no no no  
Gotta hold over me boy  
An I ain't mad

Cause you got that something that something  
that's brand new, but it feels like I'm having  
deja vu, deja vu, deja vu  
'cause I dream about you.  
Better pinch me, better wake me up,  
Better catch me, 'fore I fall in love,  
I've been searching to the left and the right,  
Just for ya, is it deja vu?

The way you whisper, the way you touch me,  
and the way you say my name,  
Is the feeling that I can't explain, no.

In the moments that I'm with you,  
You can take my breath away  
I don't wanna miss a thing.

And baby I can't control it, no no no no no  
Gotta hold over me boy  
An I ain't mad

Cause you got that something that something  
that's brand new, but it feels like I'm having  
deja vu, deja vu, deja vu  
'cause I dream about you.

Better pinch me, better wake me up,  
Better catch me, 'fore I fall in love,  
I've been searching to the left and the right,  
Just for ya, is it deja vu?

Can't get enough no baby,  
Can't get enough,  
I will love your love

Can't get enough baby  
Can't get enough  
I will knock your love

Cause you got that something that something  
that's brand new, but it feels like I'm having  
deja vu, deja vu, deja vu

I will knock your love, deja vu
