

What I Said

Coco Jones

Okay, here we go
Gather all around, you don't wanna miss this show
If you don't know, it's about to get serious
My energy could make you delirious
Take a chance if you're curious
Follow my lead, up out of your seat, we're about to p-a-r-t-y

Y'all ain't seen nothing like this
Ultimate non-stop excitement
My pyrotechnic is about to blow your mind
It's curtain call, the stage is set
Spotlights on, you ain't seen nothing yet
This moment is something that you won't forget
Oh no, you won't because

I'm saying that I'm something you gotta see right now
It's the only place that you wanna be right now
I'm gonna make some magic
That's what I said
I can be anything like a chameleon
I'm one in a million
It's gonna be dramatic

Hey, that's what I said, that's what I said
That's what I said, that's what I said

Okay, here we go

From the east to the west in your area
Every where I go, I'm causing hysteria
Let's raise the roof so high we get arial
I'm so fly, y'all carry her
No breaks or intermission
I've got your full attention
This moment is something that you won't forget
I know you won't because

I'm saying that I'm something you gotta see right now
It's the only place that you wanna be right now
I'm gonna make some magic
That's what I said
I can be anything like a chameleon
I'm one in a million
It's gonna be dramatic

Hey, that's what I said, that's what I said
That's what I said, that's what I said
That's what I said

See a party ain't a party without me, the element
And anybody who's anybody be yelling it
And when they can't even scream, they be spelling it
Then I be getting it hot, there's no comparison
Oh, so gather around, gather around now
'Cause I'm about to break it down, break it down now
There's too much room to be standing around
We all be shaking the building, feet stamping the ground, uh

I'm saying that I'm something you gotta see right now
It's the only place that you wanna be right now
I'm gonna make some magic
That's what I said
I can be anything like a chameleon
I'm one in a million
It's gonna be dramatic

Hey, that's what I said, that's what I said
Hey, that's what I said, that's what I said
Hey, that's what I said
