

I fall down my lighthouse stairs  
At least twice a day  
And I feed on chalk and stone  
I will end my days alone

If you drill a hole in my head  
Don't tell me what you see  
'Cause I've got nothing but shit  
To fill the blanks within

Let's pretend it's 84 again  
Would we make the same mistakes  
Again, again and again ?

When I was a kid  
I wished someone told me  
There would be so many  
So many wars to win

When your Dad is Spiderman  
And your Mom is Hello Kitty  
What are you supposed to be ?  
What am I supposed to be ?

Let's pretend it's 84 again  
Would we make the same mistakes  
Again, again and again ?
