

## Comets

Cocoon

By the meeting of the roads I just fell to my knees  
When I knew I had to make a choice.  
It's a shame, you said that I may never know  
How far I can sometimes go. (x 2)

While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say.

And you found all the footprints that I left in the lawn  
When I spied on you every night.  
And I wish there was a secret that you said in your sleep,  
Just a word that I could keep. (x 2)

While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say.

And I wish I was a comet to crash on your field  
Just to be remembered.  
And I wish I was a comet to crash at your feet  
Just to be remembered.

While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say...
