

Microwave

Cocoon

You said you would be out for a while
Now it's been a year
You should be back home
Microwave and meals for one
The more that I sleep
The more I get tired

It's time to wake up
It's time to wake up
I owe it all to you
I owe it all to you

Secrets taste
Like the last time we kissed,
Or was it the last time
You asked me to quit.

Children build
The snow-man in the garden,
As the radio
Plays your favorite song.

It's time to wake up
It's time to wake up.

I owe it all to you
I owe it all to you
I owe it all to you
I owe it all to you
