

One two three four

I'm her favourite game
But I don't know the rules
I'm a piece on chess
And I always lose

She's a queen, she's a queen
And her anger growls
She's a queen, she's a queen
And I'm breeding owls

She lost a treasure there ...treasure there
In the forest's heart...forest's heart
She lost a treasure there...treasure there
She can't remember what

She's a queen, she's a queen
And her anger growls
She's a queen, she's a queen
And I'm breeding owls

I've been hunting bears...hunting bears
In the forest's heart...In the forest's heart
I found a long black hair...a long black hair
She just took it back !

She's a queen, she's a queen
And her anger growls
She's a queen, she's a queen
And I'm breeding owls
