

## Owls

## Cocoon

One two three four

I'm her favourite game  
But I don't know the rules  
I'm a piece on chess  
And I always lose

She's a queen, she's a queen  
And her anger growls  
She's a queen, she's a queen  
And I'm breeding owls

She lost a treasure there ...treasure there  
In the forest's heart...forest's heart  
She lost a treasure there...treasure there  
She can't remember what

She's a queen, she's a queen  
And her anger growls  
She's a queen, she's a queen  
And I'm breeding owls

I've been hunting bears...hunting bears  
In the forest's heart...In the forest's heart  
I found a long black hair...a long black hair  
She just took it back !

She's a queen, she's a queen  
And her anger growls  
She's a queen, she's a queen  
And I'm breeding owls
