

Life is like a rollercoaster
It does flips and throws you over
Board your ship that's going nowhere
If you stop, you'll end up somewhere

Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody, just hold hands

Now everybody wants to go to Californ-i-a
To live their life on a sunny day
Dreaming of someone else's wife and kids (kids and wife)
But they'll be bringing you the same old shit (strife)

Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody, just hold hands.

Everyone wants to go to Jamaica
Queens in drag will surely fake ya
Take you home, and then they'll rape you
But you like it, so say "Thank you"

Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody, just hold hands.

Everybody wants to go to Iraq
But once they go, they don't come back
Bringing peanut butter jelly and other snacks
We might have our freedom, but we're still on crack.

Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody wants to go to Japan
Everybody just hold hands.

Everybody just hold hands.
Everybody just hold hands.
Everybody just hold hands.
Everybody just hold hands...
