

# Poison

CocoRosie

Voodoo spell  
Ocean morgue  
Like a whale  
Swallows you whole  
Dentless  
Merciless  
Dentless

Merciless dictator  
She sleighs the necks of giraffes  
Merciless dictator  
She sleeps on pillows made of zebra skin  
Oh, squakin', talkin' blasted pigeon  
Parrot Portuguese  
Black icky tongue  
And the purple clouds,  
Dry, like painted  
Desert flowers

Poison, her tears are poison  
Her tears are poison  
Her tears are  
Poison, her tears are poison  
Her tears are poison  
Her tears are

Dry, like painted  
Desert flowers

Poison, her tears are poison  
Her tears are poison  
Her tears are  
Poison, her tears are poison  
Her tears are poison  
Her tears are

Watch out for the snakes  
(Poison, her tears are poison)  
Watch out for the velvet cross  
(Her tears are poison)  
Watch out for the panthers  
(Her tears are)  
Leaping from her spit, oh

Watch out for the snakes  
(Poison, her tears are poison)  
Watch out for the velvet cross  
(Her tears are poison)  
Watch out for the panthers  
(Her tears are)  
Leaping from her spit, oh

Poison, her tears are poison  
Her tears are poison  
Her tears are  
Poison, her tears are poison  
Her tears are poison

Her tears are  
Poison, her tears are poison  
Her tears are poison
