

When he pushes away  
Like he's gonna have to make me  
He gladdens

When he pushes away  
Like he's gonna have to make me  
He gladdens

Oh, please, please  
When he pushes away  
Like he's gonna have to make me  
Hehe, hehe, hehe

It's so good to have a man  
It's so good to have him, check him out  
Saliva peeks from his trail  
I gained a lot of advice from him

It's so good to have a man  
It's so good to have him check him out  
Saliva peeks from his trail  
I gained a lot of advice from him

Oh, please, please  
It's so good to have a man  
It's so good to have him, check him out  
At night

Oh, please, please  
It's so good to have a man  
It's so good to have him, check him out

When he pushes her back  
Like he's gonna have to make me  
Saliva peeks from his trail  
I gained a lot of advice from him

It's so good to have a man  
It's so good to have him, check him out  
Saliva peeks from his trail  
I gained a lot of advice from him

When he pushes her back  
Like he's gonna have to make me  
Saliva peeks from his trail  
I gained a lot of advice from him

It's so good to have a man  
It's so good to have him, check him out  
Saliva peeks from his trail  
I gained a lot of advice from him

Oh, please, please  
When he pushes her back  
Like he's gonna have to make me  
Please, please

It's so good to have a man  
It's so good to have him, check him out  
My love
